FROM THE DESK OF MANAGING TRUSTEE & JOINT MANAGING TRUSTEE

A lot of responsibility and commitment fall on the Nurses shoulder in the cascade of the healthcare delivery system. The Global hike of demand of well trained and highly professional white caps have been constantly at rise. The mismatch Nurse-Patient and Doctor- Patient ratio in our country often find the place at the dark side of the bottom of the world.

Our family run institutions give equal emphasis on Health Care parallel to Education and Employment generation in the society. We believe on perfect crafting of young and beautiful minds of Lady with the Lamp in our nursing school to serve the suffering fellowmen.

We wish all the success of HAMM Nursing School.

FROM THE DESK OF CHIEF MEDICAL DIRECTOR

Dear Students,

I offer you a very warm WELCOME to the world of Nursing Profession for humanity. It is a profession mixed with human kindness, dedication and challenging attitude. You are in a very noble profession to render services in human suffering.

This great profession is establishing its importance since 18th century. Florence Nightingale was the founder of modern nursing profession.

The profession is very important all over the world. One cannot complete the health care system without your presence.

At the same time you will have to grow your future in social reforms as you come across a section of population with human suffering and misery. Nursing profession is greatly expanding today and your job opportunity is very vast.

At last, I wish you a very bright career in future.

FROM THE DESK OF PRINCIPAL

Dear Novices,

Health has been recognized as a fundamental right of all human beings which implies right to medical and nursing care. In the modern era of health conscious society there is greater need for the highly qualified and trained Medical and Para medical personnel especially for Nursing. Nursing service is an organized body of knowledge and the art of Nursing is the application of that knowledge while taking care of people both in sickness and in health. We instill this aspect into the minds of our students.

HAMM Nursing School is one of the best nursing school and it was established in the year 2010. Since then total 10 batches of students completed GNM course successfully with good marks and all the students are working in different reputed Government and Private Medical Institutions all over India.

Here in HAMM Nursing School, the students are trained well by the highly qualified and experienced faculties in the well equipped lecture halls, laboratories, the hospitals of repute providing general and speciality services for clinical practice and in the community for imparting health education for promotive, preventive, curative and rehabilitative health care.

On behalf of HAMM Nursing School family, I welcome all the scholars to our esteemed institution. Best wishes for a successful and flourishing future.

Mrs. Shamma Kausar,
M.Sc. in Medical Surgical Nursing
